DECONTAMINATION SERVICES

COVID-19 Response

ONE CALL SERVICE

WESTERN PENNSYLVANIA, OHIO, WEST VIRGINIA

ABOUT IPC

Founded in 2011 IPC Services, LLC is a professional environmental service company with trained and certified technicians that are ready to provide you with job site/facility decontamination, and biological cleaning in response to the COVID-19 pandemic. IPC wants to provide a safe workplace for you and your customers and the only way to do this is through professional decontamination.

EMERGENCY RESPONSE CAPABILITIES

Call 24/7/365 – For a confirmed case of COVID-19. IPC's expert team is ready to respond – NO NOTICE NEEDED. IPC will provide decontamination services removing hazardous and infectious waste streams.

PROACTIVELY DISINFECT

IPC also offers regularly scheduled disinfectant services. This service reduces the potential exposure in your organizations high-traffic and common areas as well as prevents the spread of infectious diseases caused by bacteria, fungi, viruses, and parasites.

LET IPC HELP YOU PERPARE TO REOPEN AND RESUME OPERATIONS WITH A TRUSTED ENVIRONMENTAL PARTNER FOR YOUR DECONTAMINATION SERVICES!
