WESTERN PENNSYLVANIA, OHIO, WEST VIRGINIA

ABOUT IPC

Founded in 2011, IPC Services LLC is a locally owned environmental service company providing ER response teams to assist with environmental emergencies.

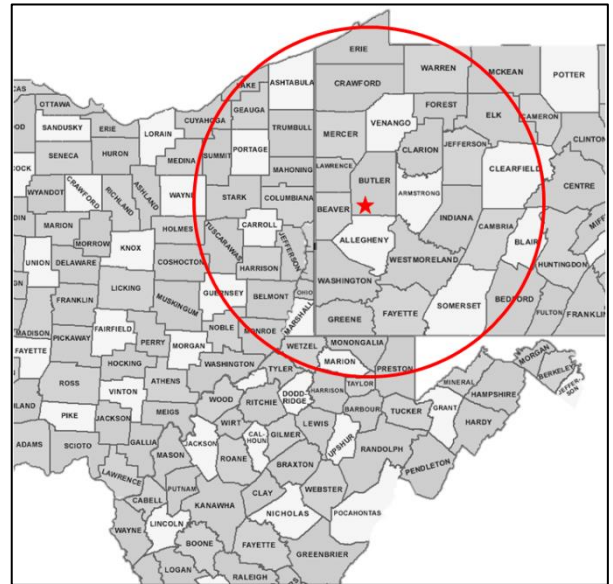

EMERGENCY RESPONSE CAPABILITIES

IPC's highly-trained personnel and emergency response equipment are ready to respond to a variety of environmental emergencies including pipeline releases, leaking storage tanks, roadside spills, damaged freight, leaking transformers, facility contamination, and biological and infectious waste.

IPC is a licensed, USEPA and DOT-approved hazardous material transporter and non-hazardous waste transporter.
